Overview

This ultimate edition contains the acclaimed main thrilling game, as well as a ton of additional DLC content in one explosive package. Includes THREE additional single player missions, SIX additional weapon packs with EIGHTEEN new weapons. Additionally the original game has now been expanded with free updates since launch to include 6 additional multiplayer maps, a Shooting Range mode, Capture The Flag mode and a brand new Co-Op Overwatch Mission.

The latest chapter in the award-winning series, SNIPER ELITE 3 takes players to the unforgiving yet exotic terrain of North Africa in a savage conflict against Germany's infamous Afrika Korps.

Stalk your targets through the twisting canyons, lush oases and ancient cities of the Western Desert in the deadly rush to sabotage a Nazi super-weapons programme that could end Allied resistance for good.

Use stealth, planning and execution to hunt your targets – whether human or machine. From signature long distance kills, to melee takedowns, distractions and explosive traps, you are as deadly up close as you are from afar.

It must end here. You are the turning point. Because one bullet can change history...

Game of the Year Bonus DLC Additional Content (All on Disc)

Additional Base Game Content Added for Free Since Launch (All on Disc):

Six New Multiplayer Maps – these brand new maps challenge players to navigate and survive some of the fiercest landscapes in the in North Africa. **'Fracture'** take place amongst a secret weapons factory built across a jungle chasm has been deserted for some time.. An abandoned supply line high in the windswept Atlas Mountains, **'Outpost Canyon's'** rolling landscape and level flow encourages snipers to think carefully about their surroundings, and use the foliage and natural cover to seek out new sniping opportunities. **'Night Watch'** is one of the most challenging maps in the series. Taking players to an oasis shrouded in darkness with the ruins of an old town turned into a makeshift camp for enemy troops. Flanked by a traversable swamp while a water wheel irrigates the surrounding areas via a network of shallow trenches, **'Plantation'** offers an open and complex environment, challenging even the most experienced snipers. **'Lost Valley'** is packed with secret routes, vantage points and plenty of lush foliage for cover, navigate the dangerously exposed mountain terrain, or opt to ambush enemy combatants from the waterfront shallows. **'Airstrip'** will look familiar to players of the single-player campaign. This version of Airfield has taken some damage, however, with blown out hangars, plane wreckage, and flanking routes underneath the airfield.

Capture The Flag Mode – Eagle-eyed snipers are still key to victory, but players will need to coordinate together to successfully assault the enemy base and capture the flag, relying on each other to protect the flag bearer and their own base from enemy attacks.

New Shooting Range –includes dedicated rifle, pistol and SMG ranges with weapon specific challenges (including some hidden ones), or of course you can just practice with no pressure and get a better understanding of bullet drop over distance.

New 'Twilight Strike' Overwatch Mission - retake Tobruk under the cover of darkness, with a map that is more open for both players, more tactical choices, optional hidden objectives and new achievements...this is the best Co-Op mission yet!
