

Press Release

Chicky Chick – the wild egg-laying fountain of fun in a special edition

Fits 13" Macbook
and other 13" wide
screen laptops

Roosters just don't get it. All that noise at the butt-crack of dawn and scratching the dirt trying to impress. Why even get out of your nest? When **you've got your favorite 13" laptop** nice and snug in this little beauty along with all your awesome accessories, you're hardly inclined to fall for macho morning madness. **Chicks just get it**, and roosters always want it. But chicks are smart, and **keeping the good booty for themselves.**
