Bees Bag – This one will always be in your corner when you need it

Room for credit cards,
passport, ticket, mobile,
iPod etc.
Size: 24x24x4 cm

It's hard to believe, but a personal gear bag you can **wear on your belt can be super sexy** and maintain ninja performance requirements. It repelled a full-on assault from mythical lizard beasts even without the help of a **white unicorn**. Who knew this handy **Bees Bag** could be so much fun to have around and good in a fight? Just be glad **it's on your side**, and you should see what it did to those smelly slimy lizards. When you strut down to the bazaar to start bartering your hard earned seashells for a chocolate teapot, you'll be the envy of every merchant around (**and safe too!**).
