PRESS RELEASE

Mini Spares Mini Clubman Front Indicator Lamps

The original Lucas base tooling for the Clubman front indicator lights was scrapped years ago but Mini Spares has come to the rescue of Clubman owners with a faithful reproduction of the parts.

The Mini Spares front sidelight and indicator lamp units will also fit Lotus and Maxi applications. The lamp units come as complete assemblies and include lamp seals and lens to lamp seal rubbers.

Parts are also available separately if required.

Order as part number ADU3017 for left hand unit at £66.60 inc vat.
Order as part number ADU3018 for right hand unit at £66.60 inc vat.
