PRESS RELEASE

TUESDAYS AT AMNESIA

THE RETURN OF THE GIANT, ONLY THE GIANT JUST GOT BIGGER... MUCH BIGGER!

Dance music's annual exodus to the infamous white isle is nigh! Ibiza 2008 is fast approaching and trance titans Armada return to the Balearic Mecca for their fifth year — bigger, bolder and better!

Joining Armada's elite force, Tuesdays at Amnesia welcome a new player – 'Contact'. Contact will rip up the terrace each week, inviting labels like the mighty Toolroom and Yoshitoshi along for the house music ride. It's sole aim being to bring the most talented international DJs and producers together under one roof, thus creating a true Ibiza experience.

Armada is the one of the biggest forces in modern day dance music, boasting a back catalogue that no-one can rival, stellar artists, and is, of course, home to the No.1 DJ in the world – Armin Van Buuren.

Armin topped the world's most important DJ poll — DJmag's Top 100 — in October last year and this impending Ibiza season is his first as ruler of the DJ roost!

Exclusive to Armada at Amnesia, Armin will play a massive 11 weeks out of the 14-week season, during which he'll record a very special 'A State of Trance' and command an 'Armin Only' event — certainly two of the many highlights coming your way this summer.

He's joined by fellow heavyweight Markus Schulz, who's vacating his Miami home for the entire season, soaking up 10 dates in Ibiza, as well as a non-stop tour of Europe.

The whole line up represents the very best in international DJ talent and includes: Markus Schulz, Marco V, ATB, Hernan Cattaneo, Sharam (DeepDish), Rank 1, Matthew Dekay, Menno De Jong, Blake Jarrell, John O'Callaghan, Gareth Emery, Glenn Morrison and many more.

On the terrace, Contact offers the perfect alternative to the main room, serving up sounds that will reach 130bpm and no more. Mark Knight's Toolroom, Tocadisco and Deep Dish's YoshiToshi throw their weight behind it — creating a 'bang on the money' terrace vibe.

Signed up so far are: Sharam, Mark Knight, Laidback Luke, Seb Fontaine, Tocadisco, Matthew Dekay, Martijn Ten Velden, Brian Cross, Richard Dinsdale, Cedric Gervais, Mar-T, Kurd Maverick and more.

Armada and Contact at Amnesia, is the force to be reckoned with in Ibiza this summer. When the clubbing world looks back on Ibiza 2008, we guarantee this will be the one night that shines bright above all others for the very best of reasons.
