Hard Suit Special Edition – for every downtrodden hardship case

Perfect fit and extra protection for
13" MacBook Air, 13" MacBook, 15"W
und 17"W MacBook Pro

Lumberjacks are rugged. Arctic explorers are tough. Put them together with some **Turtlesell Construction™** and you've got a great custom-made case that **can handle 13" to 17" of your laptop masculinity**. The soft EVA-foam inner lining along with a lacey lavender corsage with ribbons helps **balance out your feminine side**.

Features

- Preskin accessory fabric on Turtleshell Construction with super protection hard shell and additional internal foam shell for extra protection of your laptop
- snuggle soft lining inside
- extra big zip with two pullers
- easy grab preskin handle
