SOCIAL² – Agency for Social Responsibility

Supporting sustainable and responsible activities from companies as well as individuals.

- provides comprehensive analysis, strategic consulting and conceptual design of activities in the field of CSR.
- attends and implements CSR activities to enhance the sustainable image of companies.
- implements the innovative sales channel „AMIGUSTO – Responsible Lifestyle for YOU!“ for LOHAS to stimulate the consumption of sustainable products by experience shopping.
- applies revenues to support social initiatives and operate own developing projects in Latin America and Germany.

AMIGUSTO

 long-term strategy

Building the “Familia AMIGUSTO”

develoPPP.topic provides funding for Vocational Training, Education and Qualification in DR.

Goals of develoPPP.topic

- : companies offer basic and advanced training and human resources development beyond own needs
- : provide know-how to a wide target group in the partner country
- : involving local partners (including schools and universities) as multipliers
- : establishing training structures in the partner country (training of trainers, curricula development, equipping schools),
- : introduction of new training schemes and university courses, provision of advisory services for decision-makers
- : impacting conditions for vocational education in the partner country.
