Source: IDC EMEA Quarterly PC Tracker, Preliminary Results, 2Q08, July 17, 2008

*PC shipments = desktop and notebooks.

(1) Acer shipments in 2Q08 include Acer, Gateway, and Packard Bell brands, following the recent acquisition by Acer of Gateway and Packard Bell.

(2) Acer, Gateway/eMachines, and Packard Bell shipments for 2Q07 are aggregated in the additional row to allow easier year-on-year comparison. However, this is provided solely for comparison purposes, as the three companies were separate entities prior to the acquisitions.
