

Press Release 48-2011

Johannes Nussbickel appointed new CFO and managing director

Orga Systems reinforces its management with the best leadership and talents worldwide

Paderborn (Germany), 09 November 2011: In line with Orga Systems continued expansion worldwide, the company has appointed Johannes Nussbickel as new CFO and managing director to contain a solid financial structure, management and leadership at the top. He brings more than 10 years of finance leadership and C-level experience with him, having worked as (regional) CFO with various high-tech and software multinational enterprises, among them Oracle and SuSE Linux AG (today part of Novell).

Focusing on sustainable profitable growth

Before joining Orga Systems, Johannes successfully worked at the IT/telco distributor Tech Data obtaining the position of regional CFO for Germany & Austria and Managing Director for the legal entities in that region. During his career he has worked in rapidly growing environments and has managed challenging situations. Orga Systems will benefit from his experience in small and large international organizations: "I am looking forward to lead OS together with Ramez Younan, Frank Stehling and the management team on its path of sustainable profitable growth in the international marketplace", says Johannes.

Driven by expertise and innovation

Orga Systems' convergent real-time charging and billing portfolio enables profitable business for Telecommunication Companies, Mobile Finance Institutions and Energy Suppliers. Its leading position in the industry builds a strong, innovative platform for expansion in existing and new markets. Two decades of leadership and expertise have lead to 40+ customers worldwide and the reference of serving 350+ M subscribers who rely on Orga Systems excellent services and solutions.
