### **About INCOMEDIA:**

Incomedia is a leading independent developer and publisher of multimedia software for the PC. Founded in 1998, Incomedia is privately owned and headquartered in Italy.

Incomedia's flagship product WebSite X5 was developed with the aim of bringing high-end website creation software at affordable prices to home, business and education users. The software is designed specifically for users who want to publish high-quality websites and online shops, with a professional look and feel in just 5 simple steps. It is completely visual with users requiring no HTML programming skills; all they need to know is what they want to say and WebSite X5 takes care of the rest. It is currently available in 18 languages including English, German, French, Spanish and Italian.

At present WebSite X5 is sold in over 40 countries through a well established network of International distributors, resellers and retailers. To date the software has over 200 favourable reviews globally from some of the most respected magazines and websites.
