## Press Release

### *The Other 99* Will Hunt You Down on July 11

**Frankfurt, Germany - June 13, 2016** - Deck13 Games and Burning Arrow today announced the official release date for the upcoming survival horror game *The Other 99*, which will be unleashed on the 11<sup>th</sup> July. The game will be shown off in the coming days at **E3** in Los Angeles – new screenshots can be found [here](#).

With its unique combat system and focus on a gripping narrative, *The Other 99* brings a unique twist to the survival genre and will impose cruel decisions on the player. “We can’t wait to get people hooked on *The Other 99* and finally demonstrate just how good it is,” says Thomas Brown, CEO of Burning Arrow. “*The Other 99* is truly different from any other survival game we have ever seen!” added Jan Klose, CEO of Deck13.

In *The Other 99*, the player is trapped on an island, ripped from their ordinary life with only a single aim, to survive. You must navigate a deadly wilderness, shared only with 99 other human beings who are willing to do whatever it takes to survive. Each enemy NPC is just as desperate to survive as you are – and there is nothing that will stop them from achieving their goal. Experience the game’s brutal visceral combat, an exploration-driven story, the true meaning of stealth, and merciless decisions that will haunt your dreams.

Interested gamers are invited to join the community on [Facebook](#) or follow the developers on [Twitter](#). Recent press materials can be found [here](#). To get to the Steam page, click [here](#).

**About Deck13:**

Deck13 Interactive is one of Germany's leading NextGen developers with studios based in Frankfurt and Hamburg. Deck13's award winning portfolio contains toptitles like NextGen multiplatform hit Lords of the Fallen, which sold more than 1 million units. The team consisting of 50 people is currently developing the AAA multiplatform title The Surge which utilizes their home made FLEDGEEngine. The studio's newly founded unit „Deck13 Games“ publishes selected games from independent developers and supports their marketing efforts.

**About Burning Arrow:**

Hard hitting games are at our core. We are dedicated, passionate and constantly striving to create the best experiences for gamers. We are a brand new, innovative games studio located in Cornwall, England. Formed in June 2014 with initial investment and support from Falmouth Launchpad.
