CALL FOR PAPERS

The Adaptronic Congress is the leading communication platform in Europe for the technology of adaptronics and has become established as the international meeting place for business, science and research. We would like to invite you to the AC 2011 - 07-08 September 2011 - and give you the opportunity to play an active role during the Conference Program.

We would like to give a lecture in the field of:

Applications

Tools

Components

Developments

High quality level lectures are expected and reviewed by a board of experts.

Please send your significant abstract (by February, 23rd 2011) to info@adaptronic-congress.com

Titel & short summary of lecture (draft proposal):

Legal Notice

You will receive an invoice for the participation fee upon receipt of your registration. The number of participants is limited due to organizational reasons. In justified cases, e. g. due to the cancellation of speakers or too few participants, we reserve the right to cancel the congress up to one week before the appointed day. The paid fees will be reimbursed in this case. Any further claims to ACM GbR will be excluded. With your signature, you consent that your data may be entered into the ACM GbR database. Your data will be treated confidentially and will not be disclosed to third parties.

* will be checked upon registration
