

## Press Release

### Change in the board of directors at trans-o-flex

**Weinheim, 30<sup>th</sup> April 2013.** Kai Schmuck, Managing Director for Marketing & Sales in the trans-o-flex Group, will leave the company in order to accept a new professional challenge.

Oliver Rupp, Chairman of the Board of Managing Directors with responsibility for Operations & IT, will assume Schmuck's responsibilities on an interim basis effective immediately in addition to his present tasks. Ulrich Schupp, who joined the trans-o-flex board of directors in 2011, continues to be the Chief Financial Officer (CFO). Kai Schmuck will remain available in an advisory role for the time being.

Austrian Post and trans-o-flex would like to thank Kai Schmuck for his longstanding cooperation and valuable contributions to the business development of the company, and wish him all the best for the future.

#### **About trans-o-flex Logistics Group:**

The success of the Europe-wide operating trans-o-flex Logistic Group is based on three pillars: 1. trans-o-flex Schnell-Lieferdienst offers a full-coverage network for the efficient and safe transportation of parcels and pallets (combi-freight) all over Germany. This also includes numerous additional services, such as the transportation of hazardous goods without being limited to small quantities. At the same time trans-o-flex, in its capacity as shareholder and partner of the Eurodis network, provides full-coverage combi-freight services in 34 European countries. The company has developed a large number of tailor-made solutions for specific sectors, e.g. for the pharmaceutical and home entertainment / consumer goods industries. 2. With a special network for active temperature control in the temperature ranges of between 2 and 8 °C as well as 15 and 25 °C, trans-o-flex ThermoMed takes over the transportation of temperature-sensitive goods for the pharmaceutical industry ThermoMed provides multinational pharmaceutical distribution in Europe with daily deliveries to 7 countries including Germany, Austria, Belgium, Luxembourg, The Netherlands, Denmark, and France via the ThermoMed European Network. 3. Additional logistic services from storage and picking/packing to value-added services, such as the set-up service for sales displays or electrical appliances, up to customer-specific transport networks are developed and implemented under the umbrella of trans-o-flex Logistik Service. In 2012, annual sales of the Group, which has a workforce of approximately 1,320 employees, amounted to ca. € 527 million. Since June 2008, trans-o-flex has been a 100-% subsidiary of Österreichische Post. For more information, go to [www.trans-o-flex.com](http://www.trans-o-flex.com).
