

# Be a Shapify.pro partner

## What is Shapify.pro

- Scan as many people as you like with Kinect
- Get their full-color figurines in a choice of size and in a special gift-package delivered to your address or theirs
- Bring a little happiness to people and earn money at the same time!

## Why

- 3D modeling and printing is the latest popular technology to catch on around the world
- The 3D industry is about to replicate the digital photo success story – only much faster
- Making 3D models has never been so easy and fun
- Virtually zero investment and technical skills required!
- Have fun, be in on the latest trend and earn money

## How

- Click through to the PRO page on [www.shapify.me](http://www.shapify.me)
- Accept the terms and conditions, register your name and address
- On your personal page confirm your subscription payment of \$999
- Get \$999 credited to your personal account immediately and your Shapify.Pro kit will be delivered to your door in 5 days
- Set up your Kinect and computer
- Your new business is up and running! Awesome!

## Prices

			
Size <sup>1</sup>	S (9 cm)	M (12 cm)	L (15 cm)
Recommended client price	\$79	\$129	\$199
Partners price <sup>2</sup>	\$40	\$80	\$140

<sup>1</sup> Size in cm given based on 180cm scanned person's height.

<sup>2</sup> Partner price includes 3D processing via Artec's remote server and printing at recommended Artec 3D printing partners. Delivery to client/partner is not included and is paid by Shapify.Pro partner separately. Further bulk order discounts available.

## Example of Shapify.pro partner's monthly accounts

Size	Pcs	Selling price	Your cost	Revenue	Costs	Delivery <sup>3</sup>	Income
