

PACKAGE #3 – ABOUT JOBS (CLASSES)

The main character can take on a variety of jobs and those jobs will determine what items can be equipped or what artes can be learned. When you start the game you can choose from 4 types of jobs and the difficulty at the beginning of the game will vary based on which job you have assigned to the main character.

DIFFICULTY BASED ON JOB TYPE

- WarriorEasy to control, recommended for beginners.
- ThiefRecommended for beginners and intermediate players.
- Priest.....Recommended for advanced players.
- Mage.....Recommended for advanced players.
