## The TECHART Calendar 2013

As of now, the new TECHART wall calendar for the year 2013 is available. Twelve unique images of distinctive TECHART Individualization will accompany fans and customers of the TECHART brand through the next year. The whole spectrum of TECHART refinement is shown in impressive scenery and a dynamic and exciting view – from the TECHART MAGNUM program for the Porsche Cayenne models to the individualization for the Porsche 911 Carrera S and 4S and the new program for the Porsche Boxster.

The TECHART calendar is printed on 250 g/m<sup>2</sup> quality art print paper and is coated with a glossy protective varnish, which protects the motifs against discoloration and fading. The 1,500-pieces limited wall calendar in a format of 50 x 70 cm can be ordered for a selling price of 29,80 EURO incl. VAT plus shipping on the TECHART homepage at [www.techart.de/calendar](http://www.techart.de/calendar) or by phone at the number +49 (0)71 52 / 93 39 0. Shipping starts in early December 2012.
