

Staff issues manroland web systems GmbH – the management team

To manage the challenges of the industry powerfully and sustainably in an economically difficult environment, manroland web systems GmbH introduces the new team at the top.

Uwe Lüders, L. Possehl & Co. mbH, Lübeck, Managing Director

Uwe Lüders, born in 1952, Diplom-Volkswirt (university degree in economics), is Chairman of the Board of Possehl group since April 2004. Prior to this he gathered experience as manager of successful diversified groups of companies focusing on manufacturing engineering and plant engineering. In his last position before Possehl he was Chairman of the Board of Buderus AG in Wetzlar. Uwe Lüders transitionally takes over the management of manroland web systems GmbH.

Peter Kuisle, manroland web systems GmbH, Sales, Service, and Marketing

Peter Kuisle, born in 1960, has been Vice President Sales Web Printing Systems and Product Marketing for many years. He is responsible for the worldwide sales activities of newspaper printing systems and commercial presses. Also Peter Kuisle was Chairman of several sales organizations. In his new position in addition to the sales division Peter Kuisle leads the service and marketing divisions of manroland web systems GmbH.

Franz Gump, manroland web systems GmbH, Purchasing and Production

Franz Gump, Diplom-Ingenieur (university degree in engineering), born in 1966, focused on manufacturing technology during his studies. Franz Gump led the inner assembly and technical services departments at the Augsburg production site and in his last position was responsible for the junction of the inner assembly of web press components in the production business unit. Within manroland web systems GmbH Franz Gump is responsible for the purchasing and production divisions.

Dieter Betzmeier, manroland web systems GmbH, Order processing and Technology

Dieter Betzmeier, born in 1960, Maschinenbauingenieur (manufacturing engineer), was lecturer for machine elements at the IHK Augsburg (chamber for trade and commerce) as well as Project Manager and engineer in the newspaper press division for many years. Dieter Betzmeier has extensive experience with large project management as well as with project processing, assembly, and startups. As Project Leader for News International, the world's largest printing company producing one million newspapers per hour, Dieter Betzmeier is well-known in the industry. Dieter Betzmeier takes over the technology and order processing divisions at manroland web systems GmbH.

manroland web systems GmbH is a leading manufacturer of web-offset printing systems. The company provides solutions for commercial web offset and newspaper printing. A worldwide sales and service network also markets ancillary printing equipment and pressroom products as well as software products and workflow management systems.

This press release contains projections for the future based on the well-founded assumptions and prognoses of the management of manroland web systems GmbH. Though management believes these assumptions and estimates to be correct, actual developments in the future, as well as actual operating results, may deviate from those put forward by management due to factors beyond the control of the company, such factors to include, for example, fluctuating exchange rates, changes within the graphic arts industry, or any other unforeseen economic and/or market transformations. manroland web systems GmbH makes no guarantees that future developments and/or future operating results will match any of the numbers and/or statements put forth in this press release, and assumes no liability if such situations arise. Furthermore, no responsibility is assumed for updating any of the statements and/or figures contained herein.

Dr. Daniel Raffler, manroland web systems GmbH, Human Resources and Company Development

Dr. rer. pol. Daniel Raffler, born in 1975, did his doctorate at the faculty for economical sciences of Augsburg University. So far he has been responsible for corporate strategy, strategy development, and Mergers & Acquisitions. Moreover Dr. Daniel Raffler was Managing Director of manroland Poland Sp. z o.o. and in charge of the commercial controlling of the national manroland companies in USA, Central and Eastern Europe, Western Europe, Japan, and Korea. Dr. Daniel Raffler takes over the human resources and company development divisions of manroland web systems GmbH.

Dirk Rauh, manroland web systems GmbH, Commercial divisions

Diplom-Kaufmann Dirk Rauh, born in 1970, studied economics with a focus on engineering at Chemnitz Technical University. He was Commercial Director of the Plauen works and later took over the management of the controlling division of the web press business unit for the Augsburg and Plauen sites. Dirk Rauh takes over the commercial management of manroland web systems GmbH.
