# PRESS RELEASE

## New Regional Sales Director Klaus Maier

**Martinsried, January 7, 2013 – AMS Technologies, Europe’s leading solution provider and distributor for Optical, Power and Thermal Management Technologies, has appointed Klaus Maier as Regional Sales Director to support the company’s growing sales in Germany, Austria and Switzerland**

Klaus joins AMS Technologies from Exide Technologies, a leader in the Battery business for transportation and industrial markets where he has been the European Service Director.

Prior to that, Klaus was 20 years in various Sales and Marketing Management positions in the Arrow group, one of the largest electronics components distributors worldwide.

„Klaus has been building and leading very successful Sales, Application Engineering and Service teams” Jan Meise, CEO of AMS Technologies stated. “We are very excited to have been able to bring him on board to lead our Sales to new levels.”

“AMS Technologies’ sales team has a very deep understanding of technologies and can offer design expertise from components to providing turnkey solutions” said Klaus Maier, Regional Sales Director. “I am looking forward to being part of AMS’ growth”.

### **AMS Technologies – where technologies meet solutions**

AMS Technologies is Europe’s leading solution provider and distributor for Optical, Power and Thermal Management Technologies, with 30 years of experience to date and currently serving more than 1000 European customers. AMS Technologies has been delivering solutions into a variety of high-tech markets, including renewable energies, medical, defence & aerospace, telecom & datacom, research & scientific and various other industrial segments. Our customer base consists of Europe’s largest leading technology corporations, a network of universities and research institutes as well as the most promising start-ups.

We thrive by working in a ‘customer first’ environment. Our pan-European customers are serviced from a network of local offices in Germany, the UK, France, Italy, Spain and Norway, with a focussed operations and logistics centre located in Munich, Germany.
