

## **SPEEDLINK® presents new 3DS® range**

**The specialist for high-quality gaming accessories launches an end-to-end range of practical accessories for Nintendo's® 3D console timed perfectly to coincide with the launch of the 3DS®.**

Weertzen, 10 March 2011 – Nintendo® is opening up the third dimension to gamers with its 3DS® console. Its revolutionary screen delivers realistic 3D images for an even more realistic gaming experience – all without the need for special glasses. Timed perfectly to coincide with the launch of the 3DS® in March, *SPEEDLINK®* – the experienced specialist in high-quality gaming accessories – will be expanding its exhaustive NDS® range to include a complete portfolio of accessories for the new console. From extendable metal pens to fully loaded starter kits, the assortment will offer everything you need for even more convenience, safety and gaming fun in the third dimension. The 3DS® range will be available from March 2011.

### **FUZE USB Power Supply**

Conveniently charge your 3DS® from any AC outlet with this 230V power supply – and just keep gaming. The 1.5m cable offers you loads of freedom, plus you can charge other USB devices such as MP3 players using the adapter's USB port and accompanying USB charging cable.

### **ROD USB Car Adapter**

With the car adapter, your batteries will always be fully charged on long car trips. Using the adapter, you can simply connect your 3DS® or USB device to your car's 12V DC socket. You can also continue gaming while your device is charging thanks to the 1.5m cable which offers you loads of freedom.

### **PILOT Travel Touch Pens**

These robust metal pens for the 3DS® fit perfectly into the device's pen slot making them the perfect replacement if the original one goes missing. In addition, their touchscreen-protecting tips ensure your screen doesn't get scratched.

### **GAME CASE SET**

Protect your 3DS® games while on the go with these compact transport cases. These six extremely rugged cases protect your delicate games from dirt, scratches and knocks. The Game Case Set is available in many different colour combos.

### **CADDY Protection Case**

Carry your 3DS® in complete safety wherever you go. This padded case is really rugged and hardwearing with a hard shell and can accommodate your console plus five games.

## NEO Premium Bag

Made from soft yet hardwearing neoprene, this carry bag will protect your console from getting damaged. Cleverly positioned inner pockets offer enough space for up to seven games plus a normal as well as a large replacement pen.

## SCREEN PROTECTION SET

Protect both screens on your 3DS<sup>®</sup> against scratches and unwanted reflections with these protective films. The films apply easily and bubble-free thanks to the accompanying microfibre cloth, plus they can be removed again whenever you want without leaving a trace.

## 10-IN-1 STARTER KIT

The optimum accessory pack for your 3DS<sup>®</sup> console: the STARTER KIT includes a robust case so you can carry your console and games safely and securely, two extendable touchscreen pens made from high-quality metal, a set of screen protectors including a microfibre cloth, four game protector cases and a wrist strap. This kit offers you the ultimate in convenience plus maximum safety for your console and accessories.

## 12-IN-1 STARTER KIT – Power Edition

In addition to everything you get with the 10-IN-1 kit, the STARTER KIT – Power Edition includes a handy car charger as well as a third retractable metal touchscreen pen. This 12-IN-1 kit is the ultimate, all-you-need bundle for your 3DS<sup>®</sup> plus it offers you maximum convenience in the third gaming dimension – whether you're at home or on the move.
