

PRESS RELEASE

Answerthink with ISEC7 Mobility for SAP at SAPPHIRE NOW

Implementation partner of ISEC7 Group presents latest version of mobility solution in Orlando.

Hamburg/Orlando, June 03, 2014 – The business consulting specialist Answerthink showcases on this year's SAPPHIRE NOW (June 03-05, Orlando/Florida) the latest version of the mobility solution ISEC7 Mobility for SAP 6.0. Since 2012, Answerthink is the implementation partner of the mobility management expert ISEC7 Group for the US market. In addition to its own solutions, the SAP gold channel partner Answerthink presents ISEC7 Mobility for SAP, demonstrating the features of the technologically leading solution for mobilising SAP on iPads.

Roger Dost, CFO of ISEC7 Group, explains: „This year's SAPPHIRE NOW provides the suitable framework to present the advantages of our solution ISEC7 Mobility for SAP to an international audience of experts. With its intense knowledge of SAP, our implementation partner Answerthink is the ideal exhibitor of our mobile solution.“

ISEC7 Mobility for SAP is a comprehensive and still simple solution for mobilising SAP systems. It enables mobile access to any SAP backend without the use of additional middleware and with pure ABAP skills. ISEC7 Mobility for SAP is the only solution that supports all major smartphone and tablet operating systems - such as BlackBerry 7 and BlackBerry 10, iOS, Android, Windows 8 and Windows Phone 8 as well as various secure container solutions.

Answerthink presents ISEC7 Mobility for SAP 6.0 and its own solutions in the field of Life Sciences, Consumer Products, Wholesale Distribution, Industrial Machinery & Components, Professional Services, EzCommerce and EzReporting at booth 289 at SAPPHIRE NOW 2014 (June 03-05) in the Orange County Convention Center in Orlando, Florida.

About ISEC7 Group

The ISEC7 Group (www.isec7.com) is a global provider of mobile business services and software solutions for enterprise mobility. The company was one of the first movers in mobilizing business processes. Today, ISEC7 has numerous Fortune 500, DAX and public companies as committed customers. The company continually invests in the evaluation and development of new technologies. ISEC7 solutions, such as ISEC7 EMM Suite B*Nator,

ISEC7 Mobile Exchange Delegate and ISEC7 Mobility *for SAP* have proven to be groundbreaking in the mobility sector. The ISEC7 EMM Suite B*Nator, a comprehensive, infrastructure monitoring and MDM solution, which offers cross-platform operation and migration, has been presented as the “Most Innovative Enterprise Application” by BlackBerry. ISEC7 Mobility *for SAP* is available for all mobile operating systems and allows access to any SAP backend without the need for additional middleware and client development. The ISEC7 solution ‘Mobile Exchange Delegate’ ensures mobile access to Microsoft Outlook calendar, email and contacts from third parties via BlackBerry smartphone. The company was founded in Hamburg in 2003 and operates globally with offices in Germany, USA, UK, Switzerland, Spain and Brazil.
