

# Collaborative Online Mind Mapping

MindMeister supports all the standard features of a classic mind mapping tool – only online, and with as many simultaneous users as you like!

The screenshot shows the MindMeister website homepage. At the top, there's a navigation bar with 'Home', 'Browse', 'Tools', 'Blog', 'Forum', and 'About'. Below this is a large central area with the heading 'collaborative online mind mapping'. To the right, there's a sign-in section with a 'Sign in' button and a 'Remember me' checkbox. Below the sign-in section, there are three pricing options: 'BASIC FREE', 'PREMIUM \$4/MONTH', and 'TEAM FROM \$2.80/MONTH'. On the left side of the main content area, there's a 'DEMO' section showing a sample mind map titled 'Welcome to MindMeister!' with various branches and nodes. A 'Hot News' banner at the top of the main content area says 'Sign up to Premium today and get 3 months for free!'. At the bottom of the page, there are links for 'Terms & Conditions', 'Privacy Statement', and 'Imprint', and a copyright notice for 'Copyright 2008 Codemart'.

This screenshot shows a detailed mind map titled 'SWOT Analysis'. The central node is 'SWOT Analysis', which branches into four main categories: 'Strengths', 'Weaknesses', 'Opportunities', and 'Threats'. Each category contains several sub-nodes with text. For example, under 'Strengths', there are nodes like 'PASSION', 'Technical competence', and 'Quality product...'. The interface includes a sidebar with various tools and options, and a status bar at the bottom indicating 'Currently editing: No one else is editing this mind map'.

This screenshot shows a 'Map Properties' dialog box overlaid on a mind map. The dialog box has two tabs: 'General' and 'Share'. The 'Share' tab is active, showing options for 'Current Collaborators' (with a list of names) and 'Current Viewers' (with a message 'There are no viewers for this map'). There are 'OK' and 'Cancel' buttons at the bottom of the dialog box. The background shows a portion of the mind map from the previous screenshot.
