March 2011

## Performance program for the Porsche Cayenne Turbo

### World Premiere at the Geneva Motorshow

Dynamic and confident – TECHART provides the Porsche Cayenne Turbo as of now with an extra boost of power. The power kit convinces with its improved acceleration and driving dynamics. TECHART will present the performance program in the new TECHART MAGNUM at the Geneva Motorshow in a world premiere.

#### **TECHART power kit TA 058/T1**

The power kit TA 058/T1 boosts the power output with pushing the standard sport button from 368 kW (500 hp) to 412 kW (560 hp). The generated torque increases from 700 Nm to 780 Nm. 0 – 100 km/h in 4.4 sec and from 0 to 200 km/h in 15.8 sec combined with a top speed of 287 km/h transfer the impressive appearance of the TECHART MAGNUM one-to-one to the street.

The TECHART engine management TECHTRONIC comes up with a number of impressive product features. The intelligent electronic power management convinces with quick and easy installation as well as maintaining the electronic engine protection features and the vehicle diagnostics and servicing. Like every factory-new TECHART product, the high quality standard of the TECHART power kit is backed by a two-year limited warranty. Furthermore TECHART grants an additional warranty on damages at engine or gearbox.

#### **TECHART at the 81st International Geneva Motorshow**

With five cars and numerous exhibits, like the original TECHART light alloy and light alloy forged wheels, the visitors get an exclusive insight into the TECHART world at the 300 m<sup>2</sup> booth. TECHART presents beside the new MAGNUM unique individualization options for the Porsche Panamera Turbo. The Aerodynamic Kit I as

well as the new TECHART GrandGT will be shown in the exhibition halls of Geneva. Two super sports cars complete the TECHART appearance: the TECHART GTStreet R based on the Porsche 911 Turbo S Cabriolet as well as the Porsche 911 Turbo with the TECHART Aerodynamic Kit II try to win over the hearts of the visitors.

We are looking forward to welcoming you at the Geneva Motor Show in Hall 2, booth 2250 from the 3<sup>rd</sup> to the 13<sup>th</sup> of March 2011. More information and visitors registration at <http://www.techart.de/en/messen> or by phone (+49 (0) 7152 9339 0).
