

## **WINDSOURCING.COM – New Partners / New Offers / New in the WWW**

### **New Suppliers on WINDSOURCING.COM: Winergy AG, Moventas and Argo-Hytos**

Interested parties now have the opportunity to check out Winergy AG's and Moventas product offers that will be regularly showcased on **WINDSOURCING.COM**. This overview presents all of the gearboxes that Winergy AG and Moventas currently has on stock and for sale.

Argo-Hytos is also taking advantage of our procurement platform, drawing on it as a channel of communication to introduce their product offers and information, at a glance, to potential buyers.

Alongside the products by Winergy AG and Argo-Hytos, buyers and interested parties from the wind industry can also find a wide selection of further wind components, for example, by 3M, DMT, Radolid Thiel, PanTrac, DEWETRON, TWK and many more on **WINDSOURCING.COM**.

Products are offered in the commodities: Gearboxes Windturbines, Sensors, Condition Monitoring, Generators, and many more. Have a look on [www.windsourcing.com](http://www.windsourcing.com)

### **About WINDSOURCING.COM:**

**WINDSOURCING.COM** is a quality online platform, where wind turbine manufacturers as well as for the wind farming and service community have been buying and selling parts and services since June, 2011.

**WINDSOURCING.COM** offers advertisers a flexible, streamlined, easily searchable procurement platform that their potential clients can easily navigate, whether in search of spare parts, or other products. Advertisements can be independently created and updated in real time.

By providing this Procurement Platform we aim to help our customers to reduce internal costs of procurement and sales processes and consequently cut total costs. An increasing number of suppliers use the **WINDSOURCING.COM** platform to introduce potential clients to their products and services.
