

Press Release 08/29/2016

Meet Ingentis at SuccessConnect 2016 in Vienna

Discover the latest innovations of SAP SuccessFactors and get inspired by ingenious Extensions running on the SAP Hana Cloud Platform. This year Ingentis will be the first time on board and present its SAP certified solution **Ingentis org.manager [web] for SF** in Vienna from the 28th to the 29th of November 2016. The leading software for automated organizational charting brings everything required for the visualization of individual org charts - there are no limits to the design and content. The application is integrated in the Employee Central and can be launched directly through the SAP SuccessFactors user interface.

With Ingentis org.manager [web] for SF any structure maintained in SAP SuccessFactors can be visualized. Such can include objects (Legal Entity, Business Unit, Division, Department, Location, Cost Center) and all relations. The latest feature is the simulation function which allows you to simulate multiple plan versions and scenarios directly in the existing organizational chart.
